

**Your organisation is encouraged to apply for funding to host an event to celebrate National Carers Week 2019**

National Carers Week is a time to recognise and celebrate the outstanding contribution that Australia's 2.86 million Unpaid carers make to our nation.

Anyone at any time can become a carer and National Carers Week is an opportunity to raise community awareness among all Australians about the diversity of carers and their caring roles.

Carers make an enormous contribution to our communities as well as our national economy. National Carers Week provides you with a chance to show your appreciation and learn about carers and caring in Australia.

**National Carers Week 2019 will be celebrated throughout Australia from 13 - 19 October 2019.**
